BH651xxHIS	6 x 5 x 11"	590
BH654xxHIS	6 x 5 x 14"	675
BH864xxHIS	8 x 6 x 14"	750
BH1X1.5318XP*	1 x 1.5"	150

* With 3 HP Electric Motor

EXPENDABLES

BOB HERBERT DRILLING FLUID EXPENDABLES

BHDE supplies the highest quality fluid end expendables available to the drilling industry.

- Our liners are manufactured to the HP design to reduce the possibility of pumping the liner sleeve out of the hull. The chrome sleeves are 26% chrome, heat treated to Rc 62-66 hardness with a bore tolerance of +.010 -.000.
- We also have other FEPPs as couplings and rods, springs, rubber and urethane gaskets and four web valves and seats.
